Welcome back!

Welcome to all our swimmers!

Well done to those who managed to swim through the winter, either all or part of it!

Thank you to our 'home away from home' venues: Fairholme Aquatic Centre, Grammar Aquatic Centre and Withcott Aquatics. Without you we would be 'high and dry' for the winter. Thank you for being so welcoming.

We certainly enjoyed swimming at the beautiful and brand new complex of Grammar, it was sensational!

There has been some marvelous winter swimming and congratulations to those who have gradu-

ated during the winter, which is fantastic on one swim a week and no practice time!

Well done to our graduates, see you in your new levels!

Please note that we will be booking classes as from September 1 but class starting times will be governed by the water temperature. We all know how variable the weather can be in September so we will decide on the day when to start, keep in touch with us, but do book your place so that you have the days and time that you prefer!

Baby Classes

Did you know that our three Water Baby Instructors have more than 30 years experience between them?

Baby Classes will start as soon as the water is warm enough, and are taught Mon to Saturday, maximum 7 bubs per class!

Staff Changes

Although we farewelled Leland Wilce at the end of last season we are now hoping that we might see him at least once a week during the summer as he continues to pursue his career as a personal trainer. We will be pleased to have him where we can. Meanwhile we are very pleased to welcome on board Andrew MacPherson. Andrew is a former gold medallist at Nationals and is

very excited to be joining our teaching team.

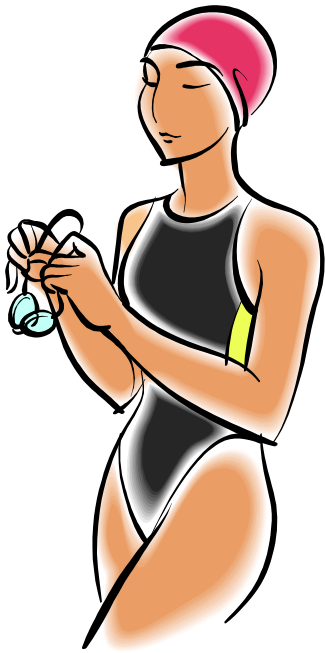

We look forward to seeing him in the pool swimming as well as teaching! Check out his great breaststroke style!

We are very happy to welcome back from break our favourite staff, and to continue working with Jan Moy, Louise Stewart and Karen Baratta, what an enormous

wealth of experience they bring to our team!

Naomi Cooper will join David on deck with the SD1 and SD2 classes and our shop crew of Jill and Laurie will be joined more often by Shannice, who worked with us last season.

We are so excited about this season, there are many changes ahead to come!

Coaches Corner by David Reinhardt

We've had a huge winter swim-wise, with swimmers at National Age in April in Sydney and at School Nationals in June and also at National Short Course. By the time this goes to print Jess and Matt Cumner will have competed at State Short Course.

Congratulations to those dedicated swimmers who swam through the winter and did dry land every week also. Aiden Van Ee swam the most! And Ryan and Regan Muckert and Kate McNeil did the most dry land! Well done to all our swimmers.

We've have a very exciting season coming up and we are going to see some very good little swimmers coming through! Congratulations to the new squad members who will be joining us after working hard all winter.

Look forward to seeing you in the pool!
